BEST Carpet Cleaners

The customer feedback on **Heaven's Best of Baltimore Carpet and Upholstery Cleaning**, 410-467-1272, is relentlessly good.

Owners Tim and Dan McLaughlin do carpets, rugs (even those that have had really bad things happen to them), and upholstery in homes, offices, and restaurants. They're fast, professional, and fairly priced. And no, we didn't give them that name, but now they really *are* "Best of Baltimore."
